“a great multitude that no one could number, from every nation, from all tribes and peoples and languages, standing before the throne and before the Lamb” Rev 7:9

Dear Brothers and sisters in Christ,

We just want to wish you all a wonderful Christ centered Christmas and a New Year that will bring all the blessings that God has in stall for us as we seek to walk closer with him. We want to thank you for all your support and prayers the last year.

## Badjao School

Here is some pictures of the students as they enjoyed their Christmas party at the school with games, exchanging gifts and a nice meal to round it all off. They had a really good time and are thankful for your support

During the last half of the school year our longest serving teacher, Danesa had to resign and we were able to replace her with one of

the Badjao Students that we supported from the beginning who now graduated as a teacher. His name is Fernando. Please pray for him. We are now in the last quarter of the school year which is always the most difficult quarter to keep the children in school. To make matters worse, one of the teachers went home and did not return and he took one of his fellow teachers cell phone without returning it. Since it is the end of the school year, it is very hard to find a teacher to replace him.

## Farm

We enjoyed an abundance of rain from September to December. It was actually so much that the road to the farm was damaged so much that we still cannot reach it by car . We have to walk for 1km to reach the farm. We were still not able to drill for water since we are still looking for the right drill company and because the value of the US\$ dropped by 30% to the Peso. Please pray with us for this situation.

## Church

We are preparing a lay leader seminar for the Badjao pastors and lay leaders in our region. Please pray that it will go well and that we will be able to encourage many of these leaders in the Badjao churches.

## Prayer Requests

1. Pray for a new teacher for the school.
2. Pray that all the students will finish the school year.
3. Pray for our family. We really need your prayers.
4. Pray for the lay leader seminar for the Badjao.

God bless,

*Petrus and Chunghee*
